Goldmine Travel Instructions

Baton Rouge-Hwy 61 thru St. Francisville and Woodville, Miss. there will be 14 miles of construction just North of Woodville. It's 1 hour 45 minutes from Baton Rouge to Natchez. Stay to the left upon arrival in Natchez and turn left at Hwy 65/84 to cross river to Vidalia. Take Hwy 65/84 7 miles from Vidalia to Ferriday and another 6 miles to Clayton where Hwy 65/84 becomes Hwy 15. Take Hwy 15 to Sicily Island and turn right to stay on Hwy 15 there. Stay on Hwy 15 to Winnsboro. In Winnsboro go to the fifth traffic light and see the Trac-Chevron station on the left. This is Hwy 130, turn left. Go .3 miles to Hwy 618 and turn right. Go 6.1 miles to Hwy 135- stay to the right as Hwy 618 goes to the left. Go 2.0 miles (look for the Liddieville water tower on the right) passing up the water tower look to the left for Cummings Road (gravel).

Turn left onto Cummings and go 1 mile to the intersection with Goldmine Road (Cummings curves to the right). This is the airstrip, look for signs to guide you to the launch site. Wind direction will determine exactly where we set up.
